Best Players Oakleigh: Ryan Pearce, Gianlucca Cappiello, Luke Rhodes, Lachlan Hardiman, Jacob Pearce, Drew Milner.

A hard fought game against a worthy opponent. We were behind the eight ball from the start with 3 boys ill, some boys carrying injuries and no bench. Position changes had to be made and the boys responded well with the changes. Since the break we have yet to field a full healthy team, but have contributed solidly in every game. It is a testament to this group, that no matter what, they still give their all, even if it hurts.

First up, congratulation,s Brendan Ninnis and Arjay Bywaters on playing there 50/th game, this is a great milestone boys we hope to have the banner for you guy’s this weekend. This weekend’s game the score does not reflect how you guys played, great first Quarter, have not seen you play this well all season. It took Beaumaris 10 Minutes to score there first goal, you forced them to panic kick scoring all those points. St Pauls this week and I think we can win this guys. Heads up, Go Dragons. Thank’s to the parent’s who helped out at grub at the club a great effort guys well done.

Not much wind and some sunshine although the ground was like Tar in the middle. Had 2 boys missing through injury and some sick boys that stuck it out. We started so much better & boys listened to instructions. Voice was much better all-round today something we have been talking about all week.....well for most of the year. Boys are playing some mature football, the required tempo and switching is improving every week. But don't we all hate 1 step kicks! Who invented them? Once again we got something from everyone. Great to see a player that is given a task stick to it, Well Done! Thanks to Papa & Duke again. Go Dragons. Papa got crunched in the U13's we all wish him a speedy recovery
